

Norsk olje&gass

WELCOME

Well Integrity Workshop
Residence Quality Hotel Sandnes
June 4th 2013

Jan Krokeide Manager drilling - Norsk olje og gass
WIF facilitator

From WIF's Mandate:

PURPOSE

The network shall secure and contribute to industry objectives related to well integrity matters.

SCOPE

The Forum will be a place to discuss industry and regulatory requirements and guidelines, share experiences, identify common goals and cooperate to solve common challenges within Well Integrity during the lifecycle of wells with main focus on the Operational phase.

WIF MEMBERS

The following operators are presently represented in WIF:

BP, ConocoPhillips, Eni Norge, ExxonMobil, GdF Sues E&P

Idemitsu, Marathon Oil, Norske Shell, Statoil, Talisman and Total.

Typical issues addressed and discussed during the last year:

- Case presentation in each meeting for experience transfer
- Participation in the revision of D-010
- Continued co-operation with UiS and NTNU
- Well integrity incident reporting - Guideline
- Follow up of RNNP:
 - * Identification of direct and root causes of degradation
- Member participating in ISO work
- Continuous liaising with PSA

AGENDA

- 08:30 - 09:00 Registration / coffee
- 09:00 - 09:15 Welcome / Safety/ Agenda of the day/ Introduction by WIF
Jan Krokeide, Norsk Olje og Gass
- 09:15 - 10:00 «Trends in risk level 2012» - Tore Endresen, PSA
- 10:00 - 10:15 **Break**
- 10:15 - 11:00 NORSOK D010 New Revision - Terje Løkke Sørensen
- 11:00 - 11:45 Case presentation " XMT ESD valve technical requirements and performance verification" - Johannes Frederik Klein, Statoil
- 11:45 - 12:45 **Lunch**

- 12:45 - 13:15 A humoristic perspective
- 13:15 - 13:45 Case presentation "Rigless P&A and Risk Reduction: Management, Tools and Techniques " - Daniel L. Tomczak, BP
- 13:45 - 14:15 Subsea gas-injector with small gas leak through PWV stem seals to sea, Well barrier classification and handling of well
Jan Egil Asjørnsen, Statoil
- 14:15 - 14:45 Case presentation "Internal corrosion in bleed plugs and grease nipples" - Bjørn Hagen, ConocoPhillips
- 14:45 - 15:00 **Break**

- 15:00 - 15:30 Case presentation "Draugen Well Integrity Improvement Project"
Ksenia Arkhipova, Shell
- 15:30 - 16:00 Well Integrity in higher education
Bernt Sigve Aadnøy, Universitetet i Stavanger
- 16:00 - 16:30 WLCPF, Well Life Cycle Practices Forum, Well Life Cycle Integrity
Guidelines - Steve Kirby, Oil & Gas UK
- 16:30 - 16:50 A selection of Well Integrity questions for discussion,
WIF Task force
- 16:50 - 17:00 Summary
- 17:00 - 18:30 **Networking (Bar area)**
- 18:30 - **Dinner**
